

## 5V USB LED Curtain, 300 LEDs, 3x3m, RGB Remote Control

SKU: **0697**

EAN: **5904703002970**

### Cechy produktu

| Cecha                       | Wartość                                                                                                         |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Light source                | LED SMD                                                                                                         |
| Application                 | Dekoracje wewnętrzne                                                                                            |
| Color of Light              | RGB                                                                                                             |
| Power                       | 5 W                                                                                                             |
| Input voltage               | DC 5 V                                                                                                          |
| Battery                     | CR2025 3 V                                                                                                      |
| Batteries included          | Nie                                                                                                             |
| Control Method              | Przycisk na sterowniku albo Pilot                                                                               |
| Program Control             | Przycisk na sterowniku albo Pilot                                                                               |
| Mode of Operation           | 8 trybów: 1. Kombinacja 2. Fala 3. Sekwencja 4. Pełzanie 5. Rozświetlanie 6. Rozbłysk 7. Flash 8. Światło stałe |
| Material                    | PC, miedziane przewody                                                                                          |
| Resistance Class            | IP44                                                                                                            |
| Plug resistance class       | IP20                                                                                                            |
| Electrical Protection Class | III                                                                                                             |
| Number of LEDs              | 300                                                                                                             |

| Cecha                                                 | Wartość            |
|-------------------------------------------------------|--------------------|
| The ability to trim to a length specified by the user | Tak                |
| USB Cable Length                                      | 300cm              |
| Distance between the ropes                            | 30 cm              |
| Dimensions                                            | 6 x 3m             |
| Light Curtain Dimensions                              | 3 x 3 m            |
| Bulk packaging                                        | 100 szt.           |
| Quantity per package                                  | 100 szt.           |
| Quantity per pallet                                   | 1500 szt. (300 kg) |
