

## 5W 4000K Round White 60x100 Surface-Mounted LED Light Fixture

SKU: **0734**

EAN: **5903002036112**

### Cechy produktu

| Cecha                 | Wartość                                                   |
|-----------------------|-----------------------------------------------------------|
| Type of fixture       | Stała                                                     |
| Diode type            | 2835                                                      |
| Light source          | LED SMD                                                   |
| Color of Light        | 4000 K                                                    |
| Color                 | Biały matowy                                              |
| Luminous flux         | 350 lm                                                    |
| Color rendering index | RA>80                                                     |
| Power                 | 5 W                                                       |
| Input voltage         | AC 176-265 V 50/60 Hz                                     |
| Material              | Aluminium                                                 |
| Resistance Class      | IP20                                                      |
| Number of LEDs        | 15                                                        |
| Included in the set   | Gniazdo GU10, Kołki montażowe, Oprawa, Instrukcja montażu |
| Dimensions            | Ø60 x 100 mm                                              |
| Bulk packaging        | 50 szt.                                                   |

| Cecha                | Wartość   |
|----------------------|-----------|
| Quantity per package | 100 szt.  |
| Quantity per pallet  | 1000 szt. |
