

## TR Connector, 1-Phase Rail, Type +, White

SKU: **1065**EAN: **5908263387737**

### Cechy produktu

| Cecha                                          | Wartość                             |
|------------------------------------------------|-------------------------------------|
| Type                                           | +                                   |
| Application                                    | Montaż wciskany do szyny            |
| Color                                          | Biały matowy                        |
| Input voltage                                  | AC 100-240 V 50/60 Hz               |
| Material                                       | Metal + ABS + Miedziane przewodniki |
| Resistance Class                               | IP20                                |
| Operating temperature                          | -25 ~ 60 °C                         |
| Number of phases                               | 1 (dwa przewody)                    |
| Dimensions                                     | 130 x 130 x 16 mm                   |
| Dimensions of the connector after installation | 60 x 60 x 16 mm                     |
| Bulk packaging                                 | 100 szt.                            |
| Quantity per package                           | 300 szt.                            |
