

## Slim Solar LED Garden Stake Light

SKU: **1652**EAN: **5904703029038**

### Cechy produktu

| Cecha            | Wartość                                                |
|------------------|--------------------------------------------------------|
| Diode type       | 2835                                                   |
| Light source     | LED SMD                                                |
| Features         | Samodzielnie uaktywnia oświetlenie po zachodzie słońca |
| Color of Light   | 3000/6000 K                                            |
| Color            | Czarny                                                 |
| Luminous flux    | 25 lm                                                  |
| Beam angle       | 120°                                                   |
| Power            | 0,2 W                                                  |
| Battery          | 3,7 V                                                  |
| Cell capacity    | 500 mAh                                                |
| Charging time    | 7-8 h                                                  |
| Solar panel      | 5 V 0,65 W                                             |
| Control Method   | za pomocą przycisku                                    |
| Twilight sensor  | Tak                                                    |
| Shank Dimensions | 130 mm                                                 |
| Material         | Tworzywo sztuczne                                      |

| Cecha                   | Wartość           |
|-------------------------|-------------------|
| Resistance Class        | IP54              |
| Service life            | 30000 h           |
| Number of on/off cycles | 15000x            |
| Operating temperature   | -20 ~ 60 °C       |
| Working Hours           | 8-10 h            |
| Start-up time           | <0,1s             |
| Number of LEDs          | 20                |
| Dimensions              | 140 x 50 x 530 mm |
| Bulk packaging          | 48 szt.           |
