

## 12V 20A RF LED Dimmer with Remote Control

SKU: **4472**

EAN: **5903002039502**

### Cechy produktu

| Cecha                                       | Wartość            |
|---------------------------------------------|--------------------|
| Output power                                | <360 W             |
| Input voltage                               | DC 12 V - 24 V     |
| Standby Power Consumption                   | <1 W               |
| Output current                              | <20 A              |
| Retention of settings after a power failure | Tak                |
| Frequency                                   | 433 MHz            |
| Resistance Class                            | IP20               |
| Operating temperature                       | -20 ~ 60 °C        |
| Dimensions of the control panel             | 81 x 64 x 24 mm    |
| Remote Control Dimensions                   | 58 x 30 x 12 mm    |
| Bulk packaging                              | 100 szt.           |
| Quantity per package                        | 200 szt.           |
| Quantity per pallet                         | 4800 szt. (300 kg) |
