

## Single White Glass Touch-Sensitive Wi-Fi Switch

SKU: **5486**

EAN: **5908263387508**

### Cechy produktu

| Cecha                            | Wartość                                              |
|----------------------------------|------------------------------------------------------|
| Color                            | White                                                |
| Backlight Color in Standby Mode  | Blue                                                 |
| Backlight color during operation | Red                                                  |
| Max. load capacity               | 3-300 W / przycisk (100 W dla LED)                   |
| Minimum load per circuit         | 3 W                                                  |
| Input voltage                    | AC 90-250 V 50/60 Hz                                 |
| Standby Power Consumption        | 0,02W                                                |
| Wi-Fi Control                    | Tak, 2.4 GHz poprzez aplikację Tuya Smart            |
| Button                           | Dotykowy                                             |
| Material                         | Szkło hartowane + tworzywo sztuczne                  |
| Resistance Class                 | IP54                                                 |
| Service life                     | 100000 cykli                                         |
| Operating temperature            | -40 ~ 60 °C                                          |
| Relative humidity                | 10%-93% (nie skondensowana)                          |
| Number of buttons                | 1                                                    |
| Included in the set              | Włącznik, Kondensator do LED (<3 W), Śruby montażowe |

| Cecha                              | Wartość                            |
|------------------------------------|------------------------------------|
| Hole diameter                      | Ø50 mm (pasuje do puszki fi 60 mm) |
| Panel thickness after installation | 7mm                                |
| Panel Dimensions                   | 86 x 86 x 35 mm                    |
| Bulk packaging                     | 50 szt.                            |
| Quantity per package               | 150 szt.                           |
| Quantity per pallet                | 2000 szt. (250 kg)                 |
