

## Mono RF Touch Remote Control for the S2-B Dimmer

SKU: **S2-B**EAN: **6970602182944**

### Cechy produktu

| Cecha                     | Wartość                                   |
|---------------------------|-------------------------------------------|
| Application               | Sterowniki do taśm RGB, RGBW, RGB+CCT     |
| Features                  | Ściemnianie, montaż natynkowy magnetyczny |
| Color                     | Czarny                                    |
| Transmission power        | 6 dBm                                     |
| Battery                   | 2x AAA 3 V                                |
| Batteries included        | Nie                                       |
| Method of Communication   | RF 2.4 GHz (2400-2483,5 MHz)              |
| Modulation                | GFSK                                      |
| Resistance Class          | IP20                                      |
| Operating temperature     | -10 ~ 40 °C                               |
| Number of buttons         | 2 + panel dotykowy                        |
| Range                     | 30 m                                      |
| Remote Control Dimensions | Ø70 x 24 mm                               |
| Bulk packaging            | 100 szt.                                  |
| Quantity per package      | 200 szt.                                  |
